Careers Newsletter

INTRODUCTION

I would like to introduce myself as the new Careers, Aspirations and Guidance Co-Ordinator. I have worked at Kingsbury School now for 4 years and was previously an Inclusion Support Mentor supporting in classes. Prior to joining Kingsbury I was a Careers Advisor at a school in Birmingham, where I worked for 18 years.

I look forward to helping and supporting all of our students to be the best that they can! I am happy to see students before school, during break / lunch or after school if they have any questions or need any help / support with Careers.

It's been a busy start to my role with Year 11's coming to the end of their time at Kingsbury. Helping and supporting them with their applications to Colleges / Apprenticeships and talking to them about their chosen pathways has been a privilege. Now they are fully into their exam season and I wish them all the best.

At Kingsbury School, we aim to ensure that all students are given the opportunity to access tools, skills and knowledge to be prepared for the world of work, further education, higher education or traineeships and apprenticeships.

Please take a look at our website for further information about Careers:

[Careers – Kingsbury School](#)

I can be contacted by calling school 01827 872316 or
e mail: KNGCareers@castlephoenixtrust.org.uk

INSIDE THIS ISSUE

Introduction	1
Trips and Events	2

TRIPS / EVENTS

Year 10 students attended The Skills Show at the NEC in March 2023. This is the UK's leading Skills and Careers event for young people.

Our students had the opportunity to talk to several employers, Colleges, Universities, Apprenticeship Providers etc. This was a great event to ask questions and gather information.

“Education is the most powerful weapon for changing the world”
Nelson Mandela

YEAR 9 VISIT HS2 CONSTRUCTION SITE

A group of Year 9's went to visit the HS2 Construction Site and were welcomed by employers from Bel-four Beatty who informed students about the career opportunities available to them in the Construction Industry.

Students enjoyed the visit, engaged well and were given a breakdown of roles available in Construction and the pathways that they could take.

YEAR 11 PRESENT TO LOCAL MP

All of our Year 11 students presented to Local MP, Craig Tracey along with 2 other Council Members during their Citizenship lessons.

Students were nervous about presenting to begin with, but all done amazing in front of our visitors.

Well done Year 11 !
