

Careers Newsletter

What a busy term it has been and some great successes to celebrate!

We had our Focus Day on 25th May where all students were involved in different activities throughout the day.

Year 7's and 8's focussed on Oracy.

Year 9's had external visitors in school and worked on Finance and Budgeting and Emotional Intelligence.

Year 10's worked on building CV's and preparation for Mock Interview Day, along with external visitors in school covering relationships and contraception.

Year 11's continued with their exams and also took part in a Wellbeing session with their Tutors.

Following on from Focus Day we had our Year 9 Curriculum Evening which was well attended by both parents and students, with lots of questions being asked about different career paths and subjects to choose.

Lots of useful information can also be found on our website:

[Careers – Kingsbury School](#)

I can be contacted by calling school 01827 872316 or

e mail: KNGCareers@castlephoenixtrust.org.uk

Wishing you all a fantastic Summer break.

Focus Day

Students engaged in Emotional Intelligence and Budgeting and Finance sessions, ran by external visitors from Career Seekers

Mock Interview Day

Mock Interview Day was a great success with 14 volunteers coming into school to assist our Year 10 students. Over 50 students were nominated for special awards following their interviews.

Volunteers all enjoyed their day at Kingsbury School and said our students were a credit to the school.
