NOTICES

- This week, we are launching our 'Spotlight' announcements on Facebook. Our Spotlight Series will include notices focused on Sport, Enrichment, Learning and Achievement. If you would like to notify us about an out of school enrichment or sporting achievement for your child, please let us know and send us a photograph.
- Kingsbury School is one of 250 schools across England that has taken part in a funded project which has resulted in 159 Solar Panels being installed on our English Block. The project also included the replacement of all internal and external lighting with LED fittings. This will help us to save money on bills, which can be reinvested on school development initiatives.
